EXECUTIVE SUMMARY

Elite aviation professional with 23+ years of hands-on technical and strategic expertise, now pioneering the integration of human intelligence with AI-powered solutions. Specialized in navigating complex regulatory environments (GACA compliance), scaling SME operations, and architecting enterprise digital transformation initiatives across the Saudi aviation sector and beyond.

Unique value proposition: deep domain expertise from flight line operations to C-suite strategy, enhanced by proprietary PowerAI technology delivering data-driven insights at unprecedented speed and scale.

CAREER HIGHLIGHTS

Key Metrics

23+ Years Experience in Aviation Industry
\$47M+ Value Delivered in High-Value Projects
500+ Professionals Trained (GACA-compliant)
100% Compliance Rate (Regulatory Record)
50+ Cross-functional Teams Led
98% Project Completion Success Rate

PROFESSIONAL EXPERIENCE

Principal Consultant & Founder | PowerAI Consulting | 2022 - Present

Pioneer AI-augmented consulting methodology combining human expertise with PowerAI technology
Lead enterprise digital transformation initiatives for aviation and business clients
Develop and deliver GACA compliance strategies for emerging aviation companies
Architect SME growth frameworks integrating business strategy with AI-powered analytics
